His two sons Dr R.V. Setty Civil Hospital Chauk Myiangyan District upper Burma, and Dr R.S.S Setty Civil Hospital Yenangyaung upper Burma are stated to be prisoners under the Japanese. To

The Deputy Commissioner,
Mysore District,
Mysore.

Sir,

I beg to bring to your kind notice the following few lines with a request to help the collapsed family owing to the present war.

I am an invalided Postmaster of Burma Circle drawing a small pension of Rs 9/1/9 per month since 1907.

After my retirement I was a Contractor in Supply and Transport Corps, Burma, during last war and returned to my native place Mysore, with a large family leaving my two sons in Burma where they were in Medical Service at the time.

I was running a Bakery (Gopal Bakery) in Mysore since 1920 and had to wind it up in 1939 as the outstanding bills could not be realised.

My two sons who were in Burma Medical Service were supporting the family by monthly remittances to maintain the family, but ever since Burmah was raided, the remittance ceased; they are prisoners of War in Japanese hands and the family is hanging here in a miserable state. My third son is employed in the Military Censor Unit, Southern Army Command and his help to the family is very megre as he is drawing a small pay.

"Sir", I therefore very earnestly request that you will kindly grant me repayable Capital advance of Rs 350/- as per Central Government Notification dated New Delhi August 17, (allowance to evacuees and dependants of Indians and other British subjects detained in enemy occupied territories) which amount I intend investing in charcoal, business. My idea is to approach the Mysore Government for a license for a certain area of forest land, cut the trees, burn it into charcoal and supply to the War Depart-

Department, so that they may deduct a certain sum from my bills or my pension may be withheld till the amount is cleared.

For which act of benevolence, myself and my miserable family will be ever grateful.

I beg to remain,
Sir,
Your most obedient servant,

B.R. Chetty
